

2019/2020 CERTIFIED SCHOOLS

The following 137 schools were certified through Ophea’s Healthy Schools (HS) Certification Program, including 96 achieving enough points to be certified as Gold.

Note: Given the unique circumstances that Ontario schools experienced during the 2019/20 school year, including ongoing job action and school closures, Ophea adapted our approach to HS Certification for this school year:

- Ophea certified all schools who reported on Steps 1 - 4 of the 6-step process (regardless of point totals).
- Ophea certified all schools as Gold who met the minimum point total for certification (800 points) and passed an Ophea audit in May 2020.
